

## Care to donate?

The Furry Friends Food Bank is supported entirely by donations, from the community and area businesses.

We accept pet food, supplies and, of course, money. And we are extremely grateful. Without these donations, the program would not exist.

## Other EAAA Services:

### Nutrition Services:

More than 200,000 pounds of pet food has been distributed by this program

The Furry Friends Food Bank provides supplemental pet food and supplies to low-income seniors and adults with disabilities who are having trouble feeding their companion animals.

Seniors and their pets can be best friends so often the senior will sacrifice their own nutrition in order to feed their furry friend. They routinely share meals with the animals.

We want to prevent them from having to surrender the animals to a shelter because they can't feed them.

Furry Friends Food Bank takes pride in preserving the special bond between a senior and pet.

**If you'd like to apply for or donate to the Furry Friends Food Bank, call Eastern Area Agency on Aging.**

**"I can't thank you enough for all your help over the years. The Furry Friends Food Bank helped me care for my pet when I was having trouble doing it myself. Without you, I could not have kept her for her entire life."**

-An extremely thankful FFFB customer and cat lover

Pet food and kitty litter may be delivered to homebound clients but usually is picked up if the client is able.

Pick-up sites are available in each of EAAA's four counties.

**Eastern Area Agency on Aging covers Hancock, Penobscot, Piscataquis and Washington counties.**
