

EASTERN AREA
AGENCY ON AGING

Durgin Center Naming Opportunities

A gift to Eastern Area Agency of Aging (EAAA) will provide a welcoming space for older adults, caregivers, and adults with disabilities to continue to learn, create, socialize and stay active and healthy.

Your donation will support EAAA's vital programs for seniors in the region by providing more space for Meals on Wheels, a café for seniors, and classroom space. Your thoughtful contribution will enhance the livability of seniors in our region for years to come.

Located at Twin City Plaza 274 State Street Brewer.
